

Imagine desperately wanting to go to school and not being able to because your family can't afford to buy you a school uniform, notebooks or even a pencil.

Across the globe, millions of families are toiling just to provide shelter and food. Although most of these hard-pressed parents understand the value of education for their children, they simply don't have the funds for the necessary school supplies.

That's the heartbreaking situation for countless children around the world – which Pencils For Kids, Inc. is working hard to change.

Pencils For Kids, Inc.'s mission of providing backpacks filled with school supplies and a school uniform will enable children eager and ready for an education to attend school.

Ten years ago in 2007, Pencils For Kids, Inc. was founded, and in 2008 we launched our program to 300 children in Bali. Now in 2017, we will deliver annually 2,200 of our gifts to children in-need in our three destinations; Bali, Myanmar and Thailand. And will have given out to-date, 15,823 backpacks and uniforms to the kids in our program.

Pencils For Kids, Inc is a 100% volunteer-based non-profit organization based in Los Angeles, with Chapter Boards in New York, San Francisco, Bali and Myanmar.

Pencils For Kids, Inc. is a USA registered 501c3 charity. We are dedicated to helping children in developing countries around the world to attend school and, in doing so, build the foundation for a better future. We partner with other like-minded individuals, organizations and corporate sponsors to fulfill this mission. We believe that, working together, we can transform the world, one child at a time.
