To Our Valued Donors and The GlobalGiving Team

Please note that our Adopt-A-Cot Fundraising Campaign is an ongoing campaign which allows us to raise funds to help us continue providing quality care to all the vulnerable babies and children who call TLC home. This includes all operational and overhead costs such as formula, groceries, medication, facilities maintenance, fuel expenses, staff salaries, etc.

This project has a high target value as it has been ongoing over a number of years to help provide us with sustainable monthly funding to make sure we can make it through each month without big funding shortfalls.

Currently our Adopt-A-Cot program contributes almost 40% (about R130 000) towards our monthly expenses. This is a huge gift of stability for our home and we are so incredibly grateful for each person who shares in our conviction and purpose to provide a loving and nurturing home to the vulnerable souls that need a home during their journey to their forever family.

If you ever have any questions, comments, suggestions or feedback I am always eager to hear from our valued supporters.

With Heartfelt Thanks and
Sincere Regards,
Faith Abrahams
