Challenge

Record-breaking flooding is occurring in Houston and the surrounding areas. Torrential rainfall continues to threaten homes and lives along the Gulf Coast. Several of GlobalGiving's local nonprofit partners are responding to survivors' immediate needs and have asked us to help fund their relief and recovery efforts on the ground.

Solution

All donations to this fund will

\$250 (USD) emergency disaster relief and long-term recovery support >

\$1,000 (USD) emergency disaster relief and long-term recovery support >

View Other Payment Options

Donating through GlobalGiving is safe, secure, and easy with many payment options to choose from. [Learn more.](#)

Help raise money for this important cause by creating a personalized fundraising page for this project.

START A FUNDRAISER

support recovery and relief efforts for Hurricane Harvey. Initially, the fund will help first responders meet survivors' immediate needs for food, fuel, clean water, hygiene products, and shelter. Once initial relief work is complete, this fund will transition to support longer-term recovery efforts run by local, vetted organizations in the Gulf Coast.

Long-Term Impact

We believe that organizations that are deeply-rooted in local communities are in the best position to provide long-term support for survivors of natural disasters like Hurricane Harvey. By funding the relief efforts of local organizations, donations to this fund have the potential to build stronger response capacity so that these organizations are better equipped to face future challenges. GlobalGiving will post reports about how funds have been used and will email these reports to donors.

Additional Documentation

This project has provided additional documentation in a PDF file (projdoc.pdf).
