2015 Expenditures by AAI

Our Vision

Asia America Initiative is a catalyst for cross cultural and international cooperation to promote peace, justice, and development in order to build healthy communities in the Asia-Pacific region and beyond. We believe that peace, security, and respect for human dignity are inseparable.

Our Mission

Asia America Initiative works to build hope and empower communities afflicted by armed conflict and severe poverty. Our Goal is to develop programs as sustainable models that can be replicated globally.

is an Education and Charitable 501(c)3 non-profit organization.

ACHIEVING PEACE BY

EMPOWERING COMMUNITIES
