The French language is the foundation on which SFM operations are based : the dissemination of knowledge and values, with a view to the active participation of children and adults in society.

SFM Clichy today...

2600 visitors for the public writer office
500 individual mediations
300 families supported
170 students in the French courses
1 committed team

Our difference,

- Strong and committed governing body that explains support of employees and volunteers over time
- Permanent innovation based on latest Educational research
- Project that integrates the person from early childhood into adulthood
