

Supports children in Oaxaca in discovering
who they are and who they want to be

"The example educates, inspires and motivates"

Mundo de Talentos

Mundo de Talentos offers free vocational guidance to curious and motivated public-school going children in San Cristóbal de Las Casas, Chiapas and in Oaxaca City in the South of Mexico. During every class, students get to know passionate professionals (volunteers) and their diverse areas of expertise. They meet architects, journalists, doctors, artists, technicians, biologists, scientists and craftsmen. Excursions are an important part of the classes. Through these encounters children broaden their perspectives, they discover their talents, increase their self-esteem and strengthen their connectedness with society.

Mundo de Talentos in Oaxaca

In collaboration with Hotel con Corazón, Mundo de Talentos expands its vocational guidance activities to the state of Oaxaca in 2022.

Pilot project

In October and November 2022 a pilot takes place in Oaxaca City. The project, with a duration of 2 months, officially starts with 20 students from primary public schools. After this initial phase, we will evaluate the process and implement necessary adjustments to start the first official generation with 40 students in January 2023.

Throughout the pilot, Museo Infantil de Oaxaca A.C. (MIO), offers its facilities to Mundo de Talentos. The alliance with the MIO makes possible an excellent implementation of the activities in an inspiring place.

We are convinced that role models inspire. Therefore, we will invite passionate professionals from Oaxaca City and surroundings. Their life experiences will motivate students to continue studying, to choose a career that suits them and to get a better understanding of how to orient themselves on their future possibilities.

Funding

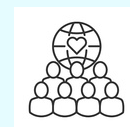

The pilot is fully funded by Hotel con Corazón, a social enterprise in Oaxaca that invests its profits in education. In order to be able to kick off the project with 40 students for one year, from January 2023, an amount of 850,000 pesos (45,000 USD / 40,000 EUR) is needed. Hotel con Corazón will stay involved as a financial partner.
